

My name is Nisa Lee, I graduated from Slippery Rock University with my B.A. in programs for Persons with Disabilities. I then received my Master in Elementary Education, certified Pre K-6th grade. I have taught for the past 4 years, 1st and 2nd grade. My goal is to support students and watch them achieve personal and educational milestones. In my spare time I love spending time with my Husband, son and dog. I also love to work out and am a huge advocate for moving your body and eating healthy. I am so excited to work with your student.
