

I am Sabrina Taylor. I am an elementary school teacher in Chesterfield County. This is my 16th year teaching! I have earned an associates degree from Richard Bland College and a Bachelor's degree from Virginia State University with an endorsement in Pre K-6th grade education. I also received my M.Ed in curriculum and instruction from Averett University in 2013! I have experience working with students that have special needs and learning disabilities, English Language Learners, and students identified as gifted and talented. I believe in teaching the whole child and meeting students where they are academically, while guiding them to reach their learning goals using a variety of strategies that work best with their unique learning styles. Teaching is my passion and I can not wait to begin our learning journey!! When I am not teaching, I enjoy painting, hiking, cooking, reading, movies and spending time with my family!
