

My name is Carol Deliazard, and this is my 15th year as an educator. I have taught grades K-5. I've been a Literacy Support Specialist and an ESOL teacher for middle school. I hold a Master's degree in Early Childhood Education from Liberty University and a Bachelor's degree in Elementary Education with ESOL Endorsement from Florida International University.

I've been married to my husband for 15 years. We have a 14-year-old daughter, an 11-year-old son, and a 4-year-old. My favorite hobbies are traveling, photography, and spending time with family. By far, this is the most rewarding profession, and I love it.

My favorite team is the University of Miami Hurricanes. My favorite color is teal. My favorite food is cheesecake and seafood. My favorite place to be is all over the world. So much to see and learn!
