

Hello, My name is Jennifer Vasquez. I'm from Colombia. This is my second year in education and I'm loving it. I came to this country in 2005 to visit my family and I decided to stay. I lived in New Jersey for 4 years and went to Bergen Community College to learn English as a second Language for 2 years. Then I moved to Virginia in 2009 where my daughter Emily was born. I love to spend quality time with my family. I enjoy helping people to succeed in life. That's why I chose this position.
